# Flying The Flag For British Manufacturing

Arena Stadia Seating provide complete seating and service packages for a wide variety of applications. The key elements in all our products are comfort, durability, safety and ease of maintenance.

All our products are manufactured, assembled and despatched from our Barnsley factory giving our customers confidence in delivery, standards and service associated with British manufacturing.

Working alongside construction companies, architects and directly with end customers. We are committed to providing a service based on the highest quality products, understanding of the client's needs and total dedication to the project from product design, to manufacture and site installation.

Our portfolio of products enables you to select from a range of styles and specifications catering for all budgets and applications. We have the products, expertise and experience to meet all your seating needs.

We offer a complete service package:

**Project Management | Installation | Spares & Repairs | Bespoke Products | After Sales Care & Maintenance**

**Dug Out Seating**

# Sports Stadia

**When you picture a Sports Stadia the image you will conjure is largely created by the seats, the club colours, the lettering and the logos. The impact those seats have is so much more than their sole purpose.**

For the sports fan the seat they occupy is part of their experience. Comfort, durability and safety are vital characteristics found in all our products.

For the stadia, the seat is a vital part of the fabric of the venue providing safe, low maintenance seating, design led to add that finishing touch.

We recognise that our seats are used in environments of intense emotion and excitement at all levels from grass roots to major international stadia. We provide the same products and level of service across the board to all our customers.

Full Sport Stadia installations include:

**Bolton Wanderers FC | Ricoh Arena | Leicester City FC | Reading FC | DW Stadium**

# Export

**British manufacturing is a quality standard recognised around the World. Arena Stadia Seating have successfully exported products for many years building our brand and reputation globally. Working directly with customers and via agents, our seats can be found in Europe and the Middle East as we continue to expand our export business.**

Take a front row **seat** around the World

Working with export partners we provide the same level of service and results we achieve within the UK. Meeting Worldwide standards our products can deal with environmental extremes from the harsh winters and low temperatures of Scandinavia to the searing heat and sun of the UAE.

Our export business continues to grow thanks to our success and reputation as a market leader in the manufacture of stadia seating.
