

VIP Bruselas

The VIP Bruselas seat is for arenas and VIP areas. It is a very comfortable chair. The ergonomic seat and backrest is upholstered which is made of fire resistant polyurethane foam block to ensure a high density and comfort.

FRAME WORK

Metallic frames form the internal structure which are coated with polyurethane foam with ergonomic shapes. The seat is covered in Trevira upholstery or leatherette upholstery with a high outdoor durability.

Metallic lateral sides are made in a cold-formed profile of steel with an upholstery finish.

SEAT & BACKS

The backrest shell in polypropylene copolymer assembles the chair and protects the upholstery.

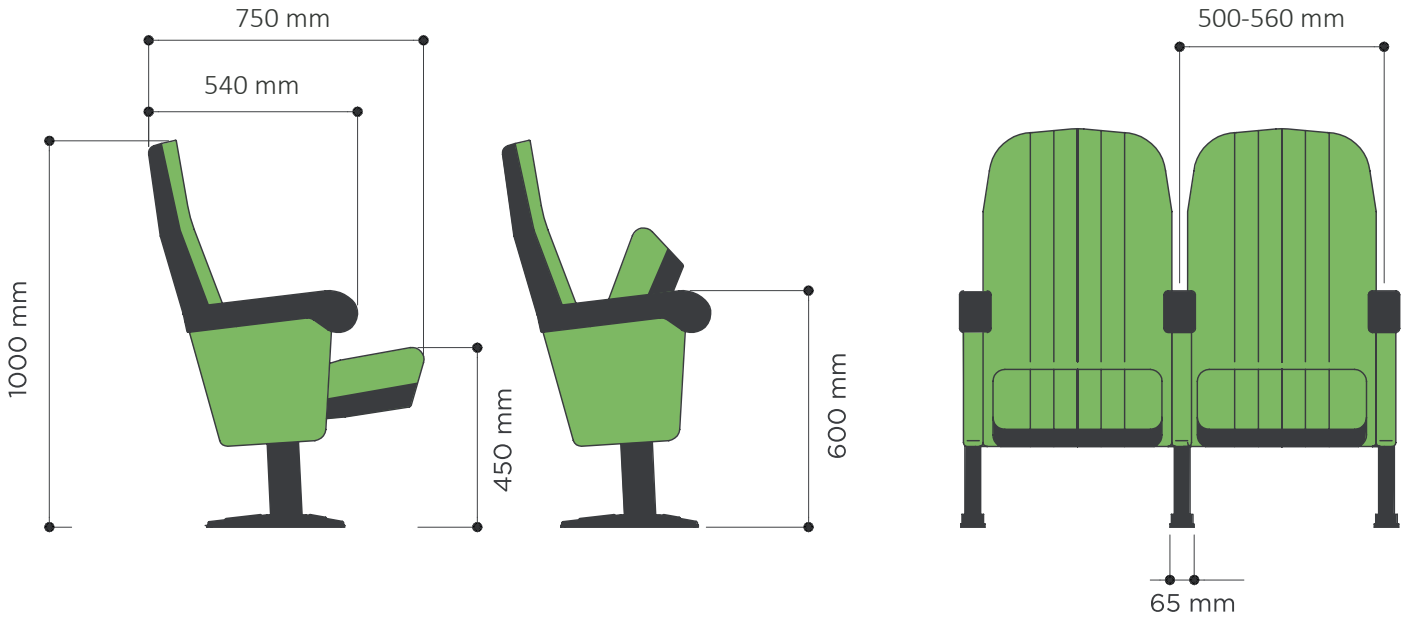

The polyurethane armrests can be individual or shared. They are supplied in black colour as standard. Upholstered end sides are available.

STANDARD FIXTURES AND FITTINGS

Automatic tip-up system for superior strength and perfect alignment.
