

A3 Bucket Seat

2 Year Guarantee for Significant Colour Fade

The A3 follows both UEFA and FIFA recommendations and is an ideal seat for any kind of grandstand or public use area.

It is made with a double-wall backrest at a height providing excellent ergonomic qualities and lumbar space.

The curved front edge of 35 mm with right-angle base overlaps the terrace front and is sealed around the entire perimeter to prevent dirt from accumulating inside the seats and in turn making it easy to clean. The base and the 2 anchoring points are strengthened with additional nerves for scenarios involving considerable use.
